--------------	-----	----------------	------------------	---------------------	-----------------------

Components shall only be added to the World Aero capability list (WA/CAPABILITYLIST/001) upon completion of World Aero Form 0051 which details the items which must be satisfied prior to addition to the capability list. Regardless of Form 0051 completion, no capability shall be added unless the addition is within the permitted "scope of maintenance" detailed in MOE Section 1.9 Scope of Work. For details, refer to World Aero MOE 1.9 and 1.10. World Aero are authorised to issue a Certificate of Release to Service of the components and parts thereof as listed below:
